### OBJECTIVES
This course includes a welcoming module, French language classes and cultural workshops and visits in order to develop soft skills for student’s future career.

**French classes based on levels:**
- Classes will be set up to help students achieve an A1 or A2 level by the end of the semester.

**Cultural discovery:**
- To come to a better understanding of French society
- To discover a new environment (The city of Toulouse, Airbus…)

---

### CONTENTS

#### French language:

**A1 level:**
- Basic grammar, familiar expressions and vocabulary to use in a concrete context to satisfy immediate needs:
  - Introducing oneself, introducing someone
  - Asking and answering questions
  - Topics related to personal relations and belongings (family, friends, accommodation…)
- Simple communication in everyday situations (asking in a polite way, doing some shopping, ordering in a restaurant…)

**A2 level**:
- Grammatical tools, expressions and vocabulary to understand and express simple messages
- Topics related to personal relations and belongings, immediate environment and shared domain of interest
- Interacting in simple and short conversations

#### Cultural matters:
- Workshops on French culture
- Cultural Visits (Toulouse, Airbus, museums …)

---
