Sydney Abroad Internships (ARTS2600)

Sydney Abroad Internship (ARTS2600) is a 6 credit point unit of study that includes a 120 hour internship and a rigorous calendar of academic components.

The unit is open exclusively to students studying at the University of Sydney on the Study Abroad Program. Students can complete this unit in either Semester 1 (March – June) or Semester 2 (July to November) of the University of Sydney's academic calendar.

As a Sydney Abroad intern you will undertake the following assessments tasks which contribute to a final grade that will appear on your University of Sydney transcript:

- 120 hours of industry placement
- 8 hours of professional development workshops
- 4 Blackboard discussions (200 words each)
- 4 reflective journals (400 words each)
- 1 final project report (2500 words)

What are the Internship Opportunities?

Our regular host partners offer placements in the following roles and industries:

- Accounting, Economics and Finance
- Advertising, Marketing and Sales
- Architecture and Urban Planning
- Business and Management
- Charity
- Education and Tutoring
- Engineering and Information Technology
- Events, Public Relations and Social Media
- Government and Policy
- Media and Communications
- Retail and Fashion
- Science and Research

How do I get selected as an Internship student?

Applicants are placed with one of our high quality host partners on a best-fit basis. Placement is competitive and based on key performance indicators such as GPA, prior academic studies and goals as well as the interests of the applicant and host.

The placement process is co-ordinated by the internship team. Though every effort is made to place all eligible applicants, placement is competitive and not guaranteed.
